1 Pursuant to the Order Requesting Party Reports, dated August 23, 2013 (Docket No.
2 1859), the Indirect Purchaser Plaintiffs (“IPPs”) submit the following report regarding the parties
3 who remain in their case:

4 The Indirect Purchaser Action is a putative class action brought by twenty-five named
5 plaintiffs from twenty-two states on behalf of indirect purchasers of Cathode Ray Tubes
6 (“CRTs”) in their respective states. Special Master Martin Quinn has recommended that the
7 Court grant the IPPs’ motion for class certification and appoint the twenty-five named plaintiffs
8 listed in Exhibit A hereto as class representatives for their respective states.

9 Attached hereto as Exhibit B is a list of the Defendants named in the Indirect Purchaser
10 Action, which includes the status of each Defendant. IPPs make the same claims against all
11 Defendants.
